Community Energy Project *for Chelsea Park & Colston Road*

*Improve your home
and become more energy self-sufficient*

Would you like to...

- ☀️ **Generate your own renewable energy ?**
- ☀️ **Have a warmer home and improve your street ?**
- ☀️ **Create work opportunities for local people ?**

TWO Streets of Solar is an exciting community energy project proposing to fund free solar panels and insulation for your home.

These solar panels would be connected together to form a 'micro-grid' and make better use of renewable energy.

*We really need your support
to make this exciting project a reality!*

Please email info@twos.org.uk to register your interest !

We will be in touch with you soon to hear your thoughts.
